

BURSARY APPLICATION

Choir fees cover most costs, with fundraising and ticket sales playing an important role in paying additional expenses, including financial aid.

Bursaries are intended to make it possible for boys to sing in the choir who would otherwise be prevented from doing so by financial difficulty, whether temporary or longer-term. They are awarded based on demonstrated need and available funds. Application must be made each year at the beginning of the season. Like all members, bursary recipients are expected to make a serious commitment to the choir, including having excellent attendance.

Name of Singer: _____

Name of Parent/Guardian(s): _____

Singer's other extracurricular activities: _____

Does your son attend public school _____, private school _____, or is he home schooled _____?

Number of siblings at home or otherwise dependent: _____

Choir fees are \$600, all inclusive, or \$75 per month over eight months (with a reduction for siblings). What amount could you afford to pay per month without financial hardship? _____

Please explain what circumstances we should consider when reviewing your application:
(We will keep this information strictly confidential.)

I certify that the information on this application is accurate and true.

Signature of parent/guardian _____ Date: _____
